25	30 03 8800 XXXX (134)	-	-	47.30 (1.862)	2.62 (0.103)

All gaskets should be selected due to groove and gasket dimensions.

Last 4 digits of part number (XXXX) should be used to identify the material required.

* X should be replaced by the appropriate MIL-G-83528B material type (A,B,C etc, in brackets)
